

Parent Focus group

Meeting held on 4th November 2020

Notes of discussion

- Terms of reference
 - was agreed to be a fair reflection of the group's role
- School arrangements for being covid-secure; drop off and pick ups
 - Discussion around current arrangements. Some parents had raised frustrations due to a small minority of year 4 parents coming in the top gate and not walking through the one-way system
 - Class 6 some difficulties parents being able to collect children as natural flow of other parents takes them in between children and where parents are waiting
 - Bottle neck outside of exit gate another area raised

Action - School to review procedures again and consider any improvements

- Concerns raised by parents that the crossing next to co-op which is now seeing more pedestrian traffic isn't on for long enough.

Action – School to contact LA traffic department to see if can get timings altered

- Parent evenings; what are parents main areas for feedback at this point in the term?
 - Agreement that parents looking for how the children have settled and social and emotional element to comments
 - Agree that data picture should be shared as would be at the Autumn parents' evening
- Supporting the community
 - Happy with balance that the school currently has currently had
 - Online payments a good move forward
- Wider opportunities for pupils
 - When is safe to do so, more family opportunities such as cooking club or activity clubs

- Parentview
 - TJ asked for parents to consider how school can get parents involved in completing parent view; feedback at next meeting

Date for next meeting TBA – consideration to be given to a later meeting to hopefully increase participation
