Headteacher: Mr. T Jones

Friday 14<sup>th</sup> May 2021

Dear Parent / Carer,

In line with the country moving to stage 3 of the Government's roadmap, it will no longer be a requirement for adults entering the school playground to be wearing a face mask, this will be left to individual choice. Please note, all other restrictions are still in place including the staggered end to the school day and face masks to be worn in the building in communal areas.

Should further guidance be sent out or updated for school, we will review and inform parents in good time should there be any impact on the running of school.

### **Term Dates**

I apologise if there has been some confusion caused with term dates for this academic year. To clarify, there are no further training days this year so the term dates are as follows;

End of summer term1 – Friday 28<sup>th</sup> May

Start of summer term 2 – Monday 7<sup>th</sup> June

End of summer term 2 – Friday 16<sup>th</sup> July

Please also note that the term dates for academic year 2021-22 can be found on the school website - <https://www.langleyfirst.org.uk/term-dates-2020-2021/>

### **Parent Governors**

I would firstly like to offer my thanks to the 7 nominees in the recent parent governor election. It was fantastic to see such a strong field of candidates for parents to vote for with such a wide range of skills.

As a result of such a strong field, the voting was extremely close across all the nominees but I am very pleased to share that Mr Kevin Hood and Mrs Lianne Anderton were selected to represent parents on the Governing Body.

### **Events**

As always, the summer term is starting to get extremely busy with events for the children. We will continue to update the school calendar and share updates with parents/carers through Twitter, Seesaw and Tapestry.

Parents/carers will shortly be receiving information concerning our STEM week which will be running 24<sup>th</sup> – 28<sup>th</sup> May and look out for pictures on Twitter and Seesaw sharing what the children get up to on our Earth Day on Thursday 20<sup>th</sup> May!

Kind regards,

Mr. T Jones  
Headteacher
